NEVER PICK UP DOG POOP AGAIN - DOG PRODUCT

As adorable as your pup is, you know that part of your responsibilities include picking up after Fido. But what if you never had to pick up your dog's poop again?

The Auggiedog, an electronic pooper scooper is an easy solution to an age-old problem. The device acts as a vacuum cleaner for dog poop. After your pooch is done with his business, hold the Auggiedog over the waste, pull the trigger and voilà – no more poop! After, unload the poop into a trash can or toilet and put your Auggiedog back on its stand where it will be cleaned in a 100% biodegradable solution.

You will get:

- ✓ The auggiedog
- ✓ auggiedog Charger
- ✓ auggiedog Manual
- ✓ The Cleanstation
- ✓ **1 full year manufacturers warranty**
