The “Auggiedog”: Your next best friend?

POSTED ON TUESDAY, OCTOBER 1, 2013 11:03 AM
by [Ray Edel](#)

What do dog lovers hate? Picking up dog waste.

Now there is a new hands-free solution – the **Auggiedog** automatic pooper scooper.

The device — which sells for \$149.99 — is a lightweight, battery-operated device that sucks up your pets droppings. It features a LED light, beeper, charger and clean station and solution.

For more information, go to www.auggiedog.com.
